

FIXTURE ARRANGEMENTS

GUIDE 2020-21

KICK OFF TIMES

All games to kick off at 10.30am Saturday (U13) or 2pm Sunday (All other age groups) unless mutually agreed between the two teams to kick off at a different time. Teams on league appointed grounds must liaise with Fixtures Secretaries as we are not always able to change these. If you choose to kick off at a different time please complete the Change of Kick Off form on the website.

GROUNDS

You must play on the allocated ground. If you would like to change ground please speak with your Fixtures Secretary who will be able to give you guidance on what you can and can't do. If you change from league appointed ground you may still be charged for it.

POSTPONEMENTS

Teams are reminded that there are no postponements allowed except for School Activities. A team who is unable to field a team should complete the relevant postponement forms on the website. A postponement may be granted but you may be charged for venues and may be issued a fine.

COVID-19 GUIDANCE

Grounds with multiple pitches should consider staggering kick offs to ensure they fall within government guidance regarding mass gatherings and to ease congestion within car parks. Speak with your Fixtures secretary who will be able to mass change kick off times for you.

PUBLISHING RESULTS

No scores for ANY fixtures (except Trophy Events and Festivals) should be published for teams at U11 and below. This is a breach of FA regulations and has a fine associated with it.
