CORRESPONDENCE

Teams SHOULD always contact their club secretary before making contact with league officials. Nine times out of ten they will know the answer and if they do not they will be able to find out for you.

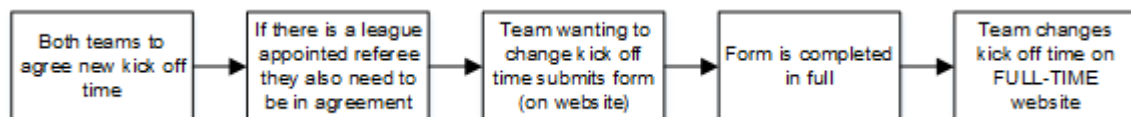

All correspondence should be directed to the email addresses below. Queries relating to welfare should be directed to the Welfare Officer. League contact details are below:

Welfare/Respect – Becky Good
Registrations – Grant McDougall / Mick Jarvis

League officials should not be contacted after 8pm by phone

CHANGING KICK OFF TIMES

A reminder that teams are able to agree to change the kick off time but not the date of the fixture (or ground). A form should be submitted when a kick off time has been changed. You must ensure you have agreed the change of kick off time with your opponents (and match referee) and changed this on the full-time website. For league provided pitches you must kick off at the specified time.

**TRANSFERS**

A reminder that transfers are only allowed during the months of December and January. Teams are limited to 2 per season.

No team can sign on players after 28th February in any playing season.

MINI-SOCCER REFEREES

It is a requirement of the home club to provide a referee for mini-soccer matches. The referee who started the match should finish the match. You should not be changing referees at half time. All games should be two equal halves and not played in quarters.

It is a requirement that at least 2 responsible bodies complete the mini-soccer awareness course for each mini-soccer team in the league. There is no maximum number of bodies that can attend and the courses are provided free of charge. This can be team management and/or parents but must hold a valid DBS disclosure.

People who attend this course will be given an ID card as proof they have attended the course and should be carried with them whilst officiating a match. They should also have carried out a DBS.

ENTERING OUTSIDE COMPETITIONS

Teams are reminded that you must seek permission prior to entering any outside tournament. Failure to do so may incur a fine of up to £100.

POSTPONEMENTS

There are no postponements within the league except for school activities. Any team unable to play a fixture please note there may be a fine of up to £100 per fixture. There is a form on the website to submit a postponement request, however this is not guaranteed and may still be fined.

UNFIT PITCH PROCEDURE

A pitch can only be deemed unfit by either the match referee or the groundsman responsible for the designated pitch. The groundsman may at their discretion leave the decision to the home team. The league may if deem necessary postpone fixtures en bloc should the weather be severe enough to avoid teams travelling or players playing in extreme weather conditions.

If the match is doubtful 2 days before the match or postponed on the day of the match you must:

1. Contact the opposition to let them know the match is in doubt / postponed by phone call
2. Contact the match officials to let them know the match is in doubt / postponed by phone call
3. Complete the postponement form on the website with enough information to understand why the match has been postponed and by who.

The referee's decision whether the game is playable or not is final and will not be questioned.

RESPECT WORKSHOPS

It is a requirement that all team managers/coaches attend a Respect Workshop each season. It is vital you attend as important information will be given out regarding Respect initiatives the league will be enforcing throughout the season. The league work hard to ensure all teams follow these rules and fines will be issued for non-compliance of any respect initiative.

All teams are required to attend a mandatory RESPECT meeting annually at the start of each season. Failure to do so will result in a fine being imposed as per the fines tariff.

GUIDE TO MARKING FOR REFEREES

The mark awarded by a club must be based on the referee's overall performance, it is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

Mark Range	Comment
91-100	The referee was extremely accurate in decision making and very successfully controlled the game using management and communication skills to create an environment of fair play, adding real value to the game.
81-90	The referee was very accurate in decision making and successfully controlled the game using management and communication skills to create an environment of fair play.
71-80	The referee was accurate in decision making and controlled the game well, communicating with the players, making a positive contribution towards fair play.
61-70	The referee was reasonably accurate in decision making, controlled the game quite well and communicated with players, establishing a reasonable degree of fair play.
51-60	The referee had some shortcomings in the level of accuracy of decision making and control, with only limited success in communicating with the players resulting in variable fair play.
50 and below	The referee had significant shortcomings in the level of accuracy of decision making and control with poor communication with the players which resulted in low levels of fair play

NOTES

- Using a scale of up to 100 allows greater flexibility for clubs to distinguish between different refereeing performances more accurately.
- A mark within each mark range can be given to reflect the referee's performance e.g. a mark of 79 indicates a somewhat better performance than a mark of 71.
- **A mark between 71 and 80 represents the standard of refereeing expected.**
- When a mark of 50 or less is awarded, an explanation must be provided to the League or Competition by completing the appropriate box on the marking form. It must include comments which could help improve the referee's future performances. Even where a referee has significant shortcomings there will have been some positive aspects which should be given credit; extremely low marks (below 20) should be very rare.

Respect

Designated Spectator Areas

Designated Spectators' Areas must be marked by an additional line, the use of cones, a roped-off area or use of a temporary spectators' barrier.

The areas literally draw the line which spectators should not cross. Research has shown it to have a beneficial impact on the behaviour of spectators and their impact on players and match officials.

The ideal arrangement is to mark out a Designated Spectators' Area on the opposite side of the pitch to club officials (manager/coaches etc) for spectators to stand behind. This allows the manager/coaches of both teams to stand on the other side of the pitch, meaning players can better distinguish the advice from their team officials.

The Designated Spectators' Area should be a minimum of two metres from the touchline (there is no maximum) and should run the full length of the pitch. This means no-one should be watching from behind the goals. It is recognised however that the alignment of some public pitches does not allow for this set up in which case other appropriate arrangements should be made.

You may prefer an alternative form of marking a Designated Spectators' Area, but you must ensure this is safe for both the spectators and the players.

Should a club fail to make acceptable arrangements for a Designated Spectators' Area, the League may consider issuing a sanction against them.

Match Day Respect

Prior to each match the participating teams and officials shall conduct the 'Respect' handshake and/or participating teams to offer 'handshakes to the opposing team after the match.

ID Cards should be passed to the opposition team prior to the start of the game along with all players in the centre circle or half way line and both teams should check ID cards against players. Remember you have a duty to ensure players are registered within the league.

A reminder that no smoking (including e-cigarettes and vaporisers) or drinking of alcohol is allowed at the side of pitches.

All teams should carry a first aid kit and ID cards at all times and may be asked to produce these by a league official.

All teams are required to attend a mandatory RESPECT meeting annually at the start of each season. Failure to do so will result in a fine being imposed as per the fines tariff.

Respect Match Day Officer

For each game, both teams should identify a match day RESPECT officer who should be clearly identifiable by wearing the provided vest. Their role is to ensure that the spectators and coaches do not enter the field of play without permission and that spectators stand behind the designated barriers and not behind the goals. This person acts on behalf of the club and league and should deal with any breaches of the RESPECT criteria, especially with abusive behaviour. Any incidents should be dealt with by the club officials at the ground and any incidents unable to be resolved must be reported to the league.

Respect Club of the Year

Each year the League will reward clubs who have shown exemplary behaviour towards the Respect campaign. This will be awarded on merit using some of following criteria:

- Number of Fines imposed on the club
- Breaking League Rules
- Showing example behaviour during matches
- Feedback from Club Officials

GOALPOST SAFETY GUIDELINES 2013-14

The Football Association, along with the Department for Culture, Media and Sport, the Health and Safety Executive and the British Standards Institution, would like to draw your attention to the following guidelines for the safe use of goalposts.

Several serious injuries and fatalities have occurred in recent years as a result of unsafe or incorrect use of goalposts. Safety is always of paramount importance and everyone in football must play their part to prevent similar incidents occurring in the future:

1. For safety reasons goalposts of any size (including those which are portable and not installed permanently at a pitch or practice field) must always be anchored securely to the ground or have a weighted back bar.
 - Portable goalposts must be secured as per the manufacturer's instructions; this is also a requirement for the Laws of the Game.
 - Under no circumstances should children or adults be allowed to climb on, swing or play with the structure of the goalposts;
 - Particular attention is drawn to the fact that if not properly assembled and secured, portable goalposts may overturn; and
 - Regular inspections of goalposts must be carried out to check that they are properly maintained.
2. Portable goalposts should not be left in place after use. They should be either dismantled and removed to a place of secure storage, or placed together and suitable fixings applied to prevent unauthorised use at any time.
3. The use of metal cup hooks on any part of a goal frame was banned from the commencement of season 2007-08 and match officials have been instructed not to commence matches where such net fixings are evident for safety reasons. Nets may be secured by plastic fixings, arrow head shaped plastic hooks or tape and not by metal cup hooks. Any metal cup hooks should be removed and replaced. New goalposts should not be purchased if they include metal cup hooks.
4. Goalposts which are "home made" or which have been altered from their original size or construction should not be used under any circumstances as they potentially pose a serious safety risk.
5. There is no BS/CEN standard for wooden goals and it is unlikely that wooden goals will pass a load or stability test. The FA recommends that wooden goals should be replaced when necessary with compliant metal, aluminium or plastic goalposts. All wooden goals previously tested by independent consultants have failed strength and stability tests.

For reference, you should note that The FA and BSI, in conjunction with the industry, have developed two standards for goalposts – BSEN 748 (2004) BS 8461:2005 +A1: 2009 and BS 8462: 2005 +A2: 2012. It is strongly recommended that you ensure that all goals purchased comply with the relevant standard. A Code of Practice BS 8461 has also been completed and copies of all of these three standards are available from the BSI.

Funding for the replacement of unsafe goals is available via the Football Foundation and eligibility criteria and further details can be obtained from their website.

The FA together with representatives from the industry, sports governing bodies and Government have prepared guidance notes for pitch users and pitch providers, which summarise the key priorities of the BSI's Code of Practice and provide further details on the information included above. These details are featured within the facilities section of The FA's website – www.TheFA.com

REMEMBER TO USE GOALPOSTS SAFELY AT ALL TIMES

- Grow football for underrepresented groups
- Improve efficiency and sustainability of leagues

It will also encourage your league to continuously develop, through on-going support from the County FA and the review and update of a league development plan, as part of an annual health check.

How will your league benefit from the Programme?

By signing up to working towards Charter Standard League status, your league will be demonstrating that it is willing to work towards a minimum operating standard and to raising standards and addressing poor behaviour within the league and member clubs, by encouraging teams to gain Charter Standard Club status as part of the Charter Standard League criteria. It will also be demonstrating, by reviewing what it does well, what it wants to do better and by identifying how it can improve, that it is committed to developing better players and to investing in its workforce.

When registering as working towards Charter Standard League status, your league will receive:

- Support from County FA staff, to include initial briefing and quarterly support meetings
- FA guidance resources
- Networking opportunities
- 1 free Enhanced CRB check and 3 free places (one on each workshop) for Safeguarding, Welfare Officer and Equality workshops

The benefits of achieving Charter Standard League status, are that your league will have a clear development plan in place, together with an agreed support package with the County FA to help you achieve your vision for the league. The league will also be demonstrating that it is committed to the Respect programme and will have procedures in place to improve standards and address poor behaviour in the game, a key priority for all those involved in Football. Your league will also gain recognition that it is committed to a quality experience for all and that you are a well run league.
