

PLAYER REGISTRATION

GUIDE 2021-22

PLAYER REGISTRATIONS

From the season 2020-21 all teams must register players via the Whole Game system. This is an FA system and performance/access is controlled by them and not the league. For assistance in registering players on Whole Game please contact Lincolnshire FA.

CUT OFF DATE

You can register players anytime until the end of February as long as they are not already registered for another team. Players must be sent for approval at least 3 days before the match day. Note until the player is marked active, they will not be able to play.

SEND FOR APPROVAL

When you are ready to "Register a player" for league matches you must send your registration for approval. This will turn the player to "Pending". The player is not eligible to play until it turns green (Active). The Registrar will check details and mark Active.

SQUAD SIZES

Teams playing 5 v 5 may sign a maximum of 10 players, 7 v 7 may register a maximum of 12 players, 9 v 9 may register a maximum of 14 players, 11 v 11 may register a maximum of 17 players. Teams who reach the maximum number of players must seek permission from the league to de-register a player before registering another.

SQUAD LISTS

ID Cards will no longer be produced for players. Instead you should ensure you have a printed copy of your squad list from Whole Game. This will be your responsibility to have this at matches and fines may be issued if you are unable to present when asked.

TRANSFERS

A player can only transfer to another team between 1st December and 31st January in the playing season. A team is limited to 2 transfers per season. This will be completed via Whole Game. Transfer fees apply.
